

Equal Opportunities Monitoring Form

The Public Services Ombudsman for Wales strives to ensure that people using his service, or who are employed by him, are treated equally and that he does not inadvertently discriminate against members of any particular group in society. In order to help us monitor this, we would be grateful if you could complete and return this form. If you are not comfortable answering any particular question, please select 'prefer not to say'. **This is not compulsory and the return or otherwise of this form does not form part of the recruitment process.**
