Dear Professor Longley

Annual Letter 2019/20

I am pleased to provide you with my Annual Letter (2019/20) for Cwm Taf Morgannwg University Health Board.

I write this at an unprecedented time for public services in Wales and those that use them. Most of the data contained in this correspondence relates to the period before the rapid escalation in Covid-19 spread and before restrictions on economic and social activity had been introduced. However, I am only too aware of the impact the pandemic continues to have on us all.

I am delighted to report that during the past financial year, we had to intervene in (uphold, settle or resolve early) a smaller proportion of complaints about public bodies in Wales: 20% compared to 24% last year.

With regard to new complaints about public bodies, 1020 or 45% related to NHS bodies— an increase of 1.3% compared to 2018/19.

Complaints about NHS bodies related predominantly to health (88%). However, as in previous years, a significant proportion of these complaints related to complaint handling (8%). We will continue to work with NHS bodies on reducing the number of these complaints, including as part of our new Complaints Standards role.

Work has already started as part of our Complaints Standards role for Wales, predominantly with Local Authorities. We have already seen great benefits already from this work, including the standardisation of complaints data recording. We look forward to working more closely with you in the coming months to help embed the new 'Once For Wales' system and, for the first time in Wales, provide complaints handling training to Health Boards, free of charge.

Action for the Health Board to take:

- Present my Annual Letter to the Board to assist Board Members in their scrutiny of the Board's performance.
- Work with my Improvement Officer and my Complaints Standards colleagues to improve complaint handling practices and standardise complaints data recording.
- Inform me of the outcome of the Health Board's considerations and proposed actions on the above matters by **30 November**.

This correspondence is copied to the Chief Executive of your Health Board and to your Contact Officer. Finally, a copy of all Annual Letters will be published on my website.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Nick Bennett', with a large, sweeping flourish at the end.
