Dear Councillor Morgan

### **Annual Letter 2019/20**

I am pleased to provide you with the Annual letter (2019/20) for Rhondda Cynon Taf County Borough Council.

I write this at an unprecedented time for public services in Wales and those that use them. Most of the data in this correspondence relates to the period before the rapid escalation in Covid-19 spread and before restrictions on economic and social activity had been introduced. However, I am only too aware of the impact the pandemic continues to have on us all.

I am delighted to report that, during the past financial year, we had to intervene in (uphold, settle or resolve early) a smaller proportion of complaints about public bodies: 20% compared to 24% last year.

We also referred a smaller proportion of Code of Conduct complaints to a Standards Committee or the Adjudication Panel for Wales: 2% compared to 3% last year.

With regard to new complaints relating to Local Authorities, the overall number has decreased by 2.4% compared to the previous financial year. I am also glad that we had to intervene in a smaller proportion of the cases closed (13% compared to 15% last year). That said, I am concerned that complaint handling persists as one of the main subjects of our complaints again this year.

Amongst the main highlights of the year, in 2019 the National Assembly for Wales (now Senedd Cymru Welsh Parliament) passed our new Act. We are now the first ombudsman's office in the UK to have full and operational powers to drive systemic improvement of public services through investigations on our 'own initiative' and the Complaints Standards role.

During 2019/20, we have engaged intensively with Local Authorities on this issue, starting to exercise our new Complaints Standards powers.

Local Authorities in Wales submitted data about the complaints they handled to the Complaints Standards Authority (CSA) for the first time in 2019/2020, revealing much more about the complaints landscape in Wales.

The data submitted for 2019/2020 shows:

- Over 13,000 complaints were recorded by Local Authorities – 4.25 for every 1000 residents.
- Nearly half (42%) of those complaints were upheld in full or in part.
- About 80% (79.51%) were investigated within 20 working days.
- About 7% (6.91%) of all complaints ended up being referred to PSOW.

The CSA will work with public bodies to ensure the data submitted is an accurate representation of complaints being submitted by service users.

A summary of the complaints of maladministration/service failure received relating to your Council is attached.

Also attached is a summary of the Code of Conduct complaints relating to members of the Council and the Town & Community Councils in your area.

**Action for the Council to take:**

- Present my Annual Letter to the Cabinet to assist members in their scrutiny of the Council's performance.
- Engage with my Complaints Standards work, accessing training for your staff and providing complaints data.
- Inform me of the outcome of the Council's considerations and proposed actions on the above matters by 30 November.

This correspondence is copied to the Chief Executive of your Council and to your Contact Officer. Finally, a copy of all Annual Letters will be published on my website.

Yours sincerely

Nick Bennett  
Ombudsman

CC: Chris Bradshaw, Chief Executive  
Jayne Thomas, Contact Officer
