Dear Ms Battle

Annual Letter 2018/19

I am pleased to provide you with the Annual letter (2018/19) for Cardiff & Vale University Health Board. This year I am publishing my Annual Letters as part of my Annual Report and Accounts. I hope the Board finds this helpful and I trust this will enable it to review its own complaint handling performance in the context of other public bodies performing similar functions across Wales.

The number of complaints received and investigated by my office against your Health Board has remained consistent this year. Whilst I have upheld (in whole or in part) more of the cases I investigated fewer cases required intervention by my office. Of the ten public interest healthcare-related reports I issued, two concerned care and treatment delivered by your Health Board. Both cases raised serious concerns; one related to delays in urgent paediatric surgery and the other related to delays in providing aftercare services for a patient who had moved to a secure hospital in England which identified the need for cross-border health care guidance. I will be following up on the recommendations in these reports this year.

The Public Services Ombudsman (Wales) Act 2019 has now been introduced. I am delighted that the Assembly has approved this legislation giving the office new powers aimed at:

- Improving access to my office
- Providing a seamless mechanism for complaint handling when a patient's NHS care is inextricably linked with private healthcare
- Allowing me to undertake own initiative investigations when required in the public interest
- Ensuring that complaints data from across Wales may be used to drive improvement in public services for citizens in Wales.

I am very much looking forward to implementing these new powers over the coming year.

Action for the Health Board to take:

- Present my Annual Letter to the Board to assist Board Members in their scrutiny of the Board's performance
- Reflect upon the findings in the Public Interest reports I have issued and positively act upon my recommendations to improve services
- Work to reduce the number of cases which require intervention by my office
- Inform me of the outcome of the Health Board's considerations and proposed actions on the above matters by **31 October 2019**.

This correspondence is copied to the Chief Executive of your Health Board and to your Contact Officer. Finally, a copy of all Annual Letters will be published on my website.

Yours sincerely

Nick Bennett
Public Services Ombudsman for Wales

Roz Meah, Contact Officer
