Annual Letter 2022/23

Dear Councillor Morgan

I am pleased to provide you with the Annual letter (2022/23) for Caerphilly County Borough Council which deals with complaints relating to maladministration and service failure, complaints relating to alleged breaches of the Code of Conduct for Councillors and the actions being taken to improve public services.

This letter coincides with my Annual Report – “[A year of change – a year of challenge](#)” – a sentiment which will no doubt resonate with public bodies across Wales. My office has seen another increase in the number of people asking for our help – up 3% overall compared to the previous year, and my office now receives double the number of cases we received a decade ago.

In the last year, I have met with public bodies across Wales – speaking about our casework, our recommendations, and our proactive powers. The current climate will continue to provide challenges for public services, but I am grateful for the positive and productive way in which local authorities continue to engage with my office.

1,020 complaints were referred to us regarding local authorities last year - a reduction of 11% compared to the previous year. During this period, we intervened in (upheld, settled or resolved at an early stage) 13% of local authority complaints.

We received fewer Code of Conduct complaints in 22/23 compared to the previous year, relating to both Principal Councils and Town and Community Councils. My role is such that I do not make final findings about breaches of the Code of Conduct. Instead, where investigations find the most serious concerns, these are referred to the Standards Committee of the relevant local authority, or the

Adjudication Panel for Wales. In 2022/23, the Ombudsman made 12 such referrals – a welcome reduction from 20 last year.

Supporting improvement of public services

Despite the challenges of last year, we have pushed forward with our proactive improvement work and launched a new Service Quality process to ensure we deliver the standards we expect.

Last year, we began work on our second wider Own Initiative investigation – this time looking into carers assessments within local authorities. This investigation will take place throughout the coming year, and we look forward to sharing our findings with all local authorities – not just those involved in the investigation.

The Complaints Standards Authority (CSA) continued its work with public bodies in Wales last year, with more than 50 public bodies now operating our model policy. We've also now provided more than 400 training sessions since we started, with local authorities, in September 2020.

We continued our work to publish complaints statistics into a second year, with data now published twice a year. This data allows us to see information with greater context – for example, last year 9% of Caerphilly County Borough Council's complaints were referred to PSOW.

I would encourage Caerphilly County Borough Council, and specifically your Audit and Governance Committee, to use this data to better understand your performance on complaints and consider how well good complaints handling is embedded throughout the Authority.

Further to this letter can I ask that your Council takes the following actions:

- Present my Annual Letter to the Cabinet and to the Governance and Audit Committee at the next available opportunity and notify me of when these meetings will take place.
- Continue to engage with our Complaints Standards work, accessing training for your staff, fully implementing the model policy, and providing accurate and timely complaints data.
- Inform me of the outcome of the Council's considerations and proposed actions on the above matters at the earliest opportunity.

Yours sincerely,

Michelle Morris
Public Services Ombudsman
